East Hills Worship Arts

Mission

Worship God. This is who we are and what we do. God created us as worshipping beings. Everything we do is directed towards giving God the glory, through music and the arts. We also support the Mission and Vision of East Hills, which is to "connect people to God, each other and a purposeful life".

Worship Arts

We strive to use various artistic mediums that create heartfelt worship experiences. In the process, our relationships with each other are strengthened. There are many areas that you can get involved in!
