

Volunteer Application

Using your spiritual gifts along with your God-given passion to serve the Body of Christ

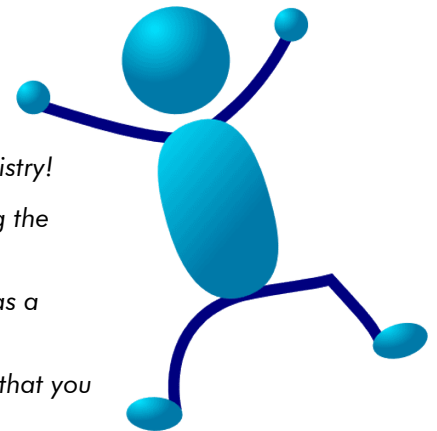

We thank you for applying for a volunteer position at East Hills Community Church. It always takes a team of people to create an effective ministry. Many different types of people and many different gifts and abilities are needed.

Upon completion of this application, a face-to-face interview must be scheduled with the appropriate ministry leader to discuss your suitability for the position you wish to volunteer for. At that time please bring your Driver's License so that your information can be verified and a copy can be made and placed in your file.

Although there are different personalities, talents, gifts and abilities of various volunteers, there are certain expectations that we require of each of our volunteers in order to maintain the integrity of our volunteer staff. The following are some of these expectations. *Please check each box stating that you understand and agree to each expectation.*

As a member of the East Hills Ministry Team, you should...

- *Be growing spiritually. Therefore, daily Bible reading, memorization, prayer and a goal of living righteously before God and man should be common among all volunteers!*
- *Be regularly praying for East Hills and the people you serve!*
- *Be willing to stretch and try things that might seem new to you!*
- *Be sensitive to those you minister to as well as those who are helping you in your ministry!*
- *Support the leadership of East Hills and your ministry leaders at all times, both during the meetings and outside of the meeting times, striving for unity!*
- *Have a positive attitude toward our church that will show in your words and actions as a representation of East Hills, striving for unity!*
- *Regularly attend East Hills Worship Celebrations on Sunday mornings. Our desire is that you would eventually become a member of East Hills, if you are not already!*
- *To agree to the expectations outlined for specific areas of ministry in which you choose to participate.*
- *We encourage you to be involved in a LIFE Group at East Hills Community Church, if your schedule permits, recognizing that you need to be ministered to, as well as doing the work of the ministry!*
- *We encourage you also to attend our Leadership Training which we have annually (this is a one-time thing... once you've been, you are done).*
