

Reading Plan Instructions: Using the Immerse Prophet book (Old Testament Prophets), always read to the largest break on the page where each reading ends. If there is more than one largest break, go to the last one. If no breaks appear on that page, read to the bottom of the page. If you are using a Kindle, it will indicate where to stop. If you are using your regular Bible, use the reading plan below and follow it.

Prophets

East Hills is encouraging everyone to spend regular time reading God's Word. Our goal is to create a habit of spending time with God and in God's Word. We are encouraging you to use the Immerse Bibles for our reading instead of your regular chapter-and-verse Bible. This special reader's edition restores the Bible to its natural simplicity and beauty by removing chapter and verse numbers and other historical additions. Letters look like letters, songs look like songs, and the original literary structures are visible in each book <https://www.easthills.info/read-together>. We think your reading will be enhanced but it is not required. Using the Bible you already have will be awesome as well.

There are 7 days in a week - Why are we only reading on 5 days? We decided that our reading would include a time of Review and Reflection and include the Sabbath as well. Every Saturday we encourage you to review what you read during the week by answering our Review and Reflection questions. You may want to write it down in a notebook or simply reflect on your answers. On Sunday we hope you are attending church and you can use that study for your time in God's word. (You can also use Saturday and Sunday to catch up on your reading if needed)

Review and Reflection: Once a week we encourage you to review your reading, reflect on what it means in your relationship with God, and pray about it in your time with the Lord. This can be as short or as long as you choose but we encourage you to do it with your Bible open so that you are in the Word and remembering what you read. Use the following questions to guide your time.

1. What stood out to you this week?
2. Was there anything confusing or troubling?
3. Did anything make you think differently about God?
4. How might this change the way you live?
