

Monthly Prayer Focus

Every month we specifically pray for an East Hills ministry and missionary whom we support. More information about our ministries and missionaries can be found online at www.easthills.info.

Ministry of the Month: Elders

- Please pray for their spiritual growth and protection for their families.
- Pray for them as they oversee the nominations for a new elder, finances, next year's budget and in navigating guidelines for the pandemic.
- Pray that they would be effective and caring for our church members.

Missionary of the Month: The V Family

- The V Family awaits their visa to return to the mission field because of covid. They have moved to Wisconsin where they are assisting a supporting church. They are on leadership with their sending agency and have responsibilities for remote meetings and check-ups with different families.
- Pray for continued peace and patience as they wait to see when they can go back overseas.
- Pray that their hearts would remain steadfast in their desires to serve Him wherever He has them.

Elder Nominations

- We are no longer receiving Elder nominations and will be starting the interview phase of our process in the coming days.

COVID Testing

- According to the Riverside University Health System, we are all encouraged to get tested for covid. Why? To help slow the spread of the virus and to help the county remain in the red tier. Testing is free and there are 12 testing sites spread throughout Riverside county. I encourage each of us to get tested. More information can be found here including where to get tested: <https://www.rivcoph.org>

Giving (Tithes and Offerings)

- Giving is easy at East Hills and there are three ways to give. (1) Give in person by turning your giving in during the worship service or stopping by the office, (2) by using our Church Center app (press ‘give’ at the bottom, and/or by going online through our website where you can give online or by text (instructions provided).

5K Walk for Water

- On November 14th @ 8am, we will be hosting a 5k walk for water. One of our missionaries is in need of your help. Bishop Murungi has been posting about the extreme drought in Kenya. Women and children will travel over 3 miles each way to access the nearest water hole. The walk will be a way to raise money in order to purchase a new well for them. This will provide water to over 9000 village residents. Take a walk with us down Orange Terrace and back and make an impact together. See Melissa Clarke with any questions.
