

Monthly Prayer Focus

Every month we specifically pray for an East Hills ministry and missionary whom we support. More information about our ministries and missionaries can be found online at www.easthills.info.

Ministry of the Month: Student Ministry

- Pray for the students hearts to remain positive through this time of isolation as they are all stuck home with very little contact to the outside.
- Pray that as we work through transition and virtual meetings, that God would grow both the students in the group, and the amount of students in the group.
- Pray for the leaders as they all seek to honor God in service while working through how to live day to day life in this time of lock in as well.

Missionary of the Month: Talking Bibles

- Please pray for the people in India and in refugee camps in Uganda, South Sudan, Ethiopia, and Kenya who live in dire conditions and need to be protected from COVID-19.
- Pray for the unreached who have never heard of God and need to have access to God's Word. That each Talking Bible placed will produce fruit.
- Pray that God will continue to lead us to where He wants His Word, through the Talking Bibles, be heard. Pray that we will be sensitive to God's beckoning and His wishes for where the Talking Bibles are to go.
