Going Deeper

We encourage you to get into God's word this week. Below is a daily reading plan to help you read the Bible each day and learn more about today's message. This short investment of time will pay off huge dividends in your knowledge of God's Word and your relationship with God.

Below each reading is a question or two to reflect on throughout your day. If you are journaling you can write down your response and whatever else you got out of it (e.g. what the Holy Spirit is telling you).

Day 1: John 4:27-42

- Reviewing the sermon, what is it that you are thinking of today that you need to apply?

Day 2: Matthew 9:35-38

- Make it your prayer today that God would give you opportunities to reach out to someone who doesn't know God. Also ask God to give others the desire to do the same ("send out workers").

Day 3: Luke 10:1-17

- What is the Holy Spirit saying to you about this passage? What can you apply today?

Day 4: Matthew 13:1-8, 18-23

- Think of this passage in terms of sowing and reaping...How can you apply today's passage?

Day 5: Matthew 13:24-30, 36-43

- Think of this passage in terms of sowing and reaping...How can you apply today's passage?

Day 6: Hosea 10:12 (this is our prayer for 2019...given last week)

- Think of an application for each line (lines are separated by commas or semi-colon) and lift them up to God in prayer.

Day 7: Hosea 10:12 (this is our prayer for 2019...given last week)

- Memorize it. Pray it. Live it. Pray also that as a church, if we can live this out individually, then collectively we would be "A contagious church that matters to their community."
