

Three Dark Days

Jonah 2

90 Day Challenge

East Hills Community Church is reading through the New Testament in 90 days. There are workbooks available so you can study what you are reading. They are free and available in the lobby. We encourage you to take one to help you understand what you are reading.

You can also choose to read through the passages each day on your own. There is a reading plan available in the lobby. We encourage you after each passage to answer the same question that is on the bottom of the page, so that you are applying what you are reading.
