## Going Deeper

---

We encourage you to get into God's word this week. Below is a daily reading plan to help you read the Bible each day and learn more about today's message. This short investment of time will pay off huge dividends in your knowledge of God's Word and your relationship with God.

Below each reading is a question or two to reflect on throughout your day. If you are journaling you can write down your response and whatever else you got out of it (e.g. what the Holy Spirit is telling you).

#### Day 1: Luke 2:1-7

- How does this part of the narrative play into the prophetic part of the coming of the Savior? What strikes you about the "King of Kings" being born the way he was and in the place he was?

#### Day 2: Luke 2:8-12

- Why do you think the angels appeared to the shepherds and not the rulers of the day or the religious leaders? What does this communicate to us?

#### Day 3: Luke 2:13-14

- The angels could have responded in a thousand different ways. Why do you think they sang what they did? What do we learn about Christ and his mission?

#### Day 4: Luke 2:15-20

- What has been your response to the person and work of Jesus? Have you been moved to action? What might need to change in you?

#### Day 5: Philippians 2:6-11

- How is this also the Christmas story? Is it maybe more complete? How does this help us appreciate Christmas more fully?

#### Day 6: Revelation 1:12-18

- How does this verse help us appreciate the incarnation of Christ? How does that move you?

#### Day 7: Matthew 6:20-21

- Where is your treasure and how is that shown in your life and actions? How can Christmas help us realign our hearts?
